Brochure Number: 2596 (14)

ELIGIBILITY

All international students, visiting faculty or other persons who are under the age of 65, have a current passport and an F-1 or J-1 visa, and temporarily residing outside their Home Country while actively engaged in education or educational activities or research related activities at the University of Wisconsin - Platteville are required to purchase this insurance plan unless they are students receiving sponsorship and insurance coverage from the governments of Kuwait or Saudi Arabia, or unless they are scholars with a dependent(s) who can provide proof of comparable coverage.

A Covered Student/Scholar may also purchase coverage for eligible dependents who reside with the Student/Scholar. Eligible dependents are the Insured's lawful spouse under the age of 65 or Domestic Partner; or a Dependent Child. A Dependent Child is an Insured's unmarried child, from the moment of birth to age 25, who is chiefly dependent on the Insured for support. A child, for eligibility purposes, includes an Insured's natural child; adopted child, beginning with any waiting period pending finalization of the child's adoption; or a stepchild who resides with the Insured or depends chiefly on the Insured for financial support. Insurance will continue for any Dependent child who reaches the age limit and continues to meet the following conditions: 1) the child is handicapped; 2) is not capable of self-support; and 3) depends chiefly on the Insured for support and maintenance. The Insured must send the Company satisfactory proof that the child meets these conditions, when requested. We will not ask for proof more than once a year. In no event will a Dependent be eligible if the student/scholar is not eligible.

Please note: Students taking the following courses are not eligible to enroll in the insurance plan: distance learning courses; students solely taking off-campus internet, home study, correspondence, or television courses; courses taken for audit.

EFFECTIVE DATE OF COVERAGE

Coverage for an eligible Student/Scholar who makes the required premium payment will begin on the latest of the following dates:

- 1) the Policy Effective Date, 12:01 AM Standard Time on August 26, 2014, provided that the policy premium has been paid; or
- 2) the date he or she is eligible; or
- 3) the date of the scheduled Trip departure date; or
- 4) the date of his or her departure from the home country.

Coverage will always become effective at 12:01 a.m., Standard Time on the date determined by this provision. A Dependent who meets the eligibility requirements shall have an effective date the latest of: 1) the Covered Student's/Scholar's Effective Date of Coverage, 2) the date requested in the enrollment form for Dependent coverage, or 3) the day after date of postmark when premium is received by the Company Agent or Administrator.

The individual's coverage is effective 24 hours a day on a worldwide basis except when in his/her Home Country.

TERMINATION DATE OF COVERAGE

Coverage for a Covered Student/Scholar will end on the earlier of the date:

- 1) the Policy terminates, 12:01, Standard Time, on August 26, 2015.
- 2) the Insured is no longer eligible.
- 3) the period ends for which premium is paid.
- 4) the Insured fails to pay the required premium, if the Insured is so required.
- 5) the scheduled Trip return date;
- 6) the Insured returns to his or her Home Country

Coverage for any dependent shall terminate as indicated above or on the time and date the Student's/Scholar's insurance terminates, whichever is earlier.

A pro-rated refund of premium will be made only in the event the Insured enters military service. Otherwise, coverage will continue for the period for which premium was paid.

EXTENSION OF BENEFITS

The Company will extend benefits under the plan for 90 days after a Covered Person's coverage would otherwise end if on that date he or she is:

- 1) Hospital Confined for an Injury or Sickness covered by the plan; and
- 2) under a Doctor's care.

Any benefits payable under this provision will not exceed the benefit maximums shown under the Schedule of Benefits.

CONTINUOUS COVERAGE

Coverage for an Insured Person will be considered as continuous during consecutive periods of insurance (such as Fall and Spring, Spring and Summer, etc.) when premium payment is received by the Company Agent or Administrator within 31 days of the due date regardless of any breaks in calendar days between consecutive periods of insurance (Fall, Spring, Summer, etc.). This Continuous Coverage provision will not establish a new benefit period, nor affect any lifetime or specifically stipulated benefits shown herein for an incurred loss existing during any preceding coverage period.

DEFINITIONS

Accident - means a sudden; unexpected; and unintended event.

Co-payment - means the dollar amount of Covered Expenses that a Covered Person must pay prior to receiving benefits. A co-payment is exclusive of any Deductible and/or Co-insurance.

Co-insurance - means the percentage amount of an incurred loss for which the Covered Person is responsible. The co-insurance is exclusive of any Deductible or Co-payment.

Deductible - means the dollar amount of Covered Expenses that must be incurred as an out-of-pocket expense by each Covered Person on a per Injury or Sickness basis before Out of Country Medical Expenses Benefits and/or other Additional Benefits paid on an expense incurred basis are payable under the Policy.

Doctor – means a licensed health care provider: acting within the scope of his or her license; and rendering care or treatment to a Covered Person that is appropriate for the conditions and locality. It will not include: a Covered Person; the Covered Person's Immediate Family Member; or a member of the Covered Person's household.

Home Country - means a country from which the Covered Person holds a passport. If the Covered Person holds passports from more than one country, his or her Home Country will be that Country which the Covered Person has declared to the Company in writing as his or her Home Country.

Injury – means accidental bodily harm sustained by a Covered Person that results directly and independently from all other causes from a Covered Accident. All Injuries sustained by one person in any one Accident, including all related conditions and recurrent symptoms of these Injuries, are considered a single Injury.

Medical Emergency - means a condition caused by an Injury or Sickness that manifests itself, while covered under this Policy, by symptoms of sufficient severity that a prudent lay person possessing an average knowledge of health and medicine would reasonably expect that failure to receive immediate medical attention would place the health of the person in serious jeopardy.

Medically Necessary means a treatment, service or supply that is: 1) required to treat an Injury or Sickness; 2) prescribed or ordered by a Doctor or furnished by a Hospital; and 3) consistent with the medical and surgical practices prevailing in the area for treatment of the condition at the time rendered. Purchasing or renting air conditioners; air purifiers; motorized transportation equipment; escalators or elevators in private homes; eye glass frames or lenses; hearing aids; swimming pools or supplies for them; and general exercise equipment are not considered Medically Necessary. A service or supply may not be Medically Necessary if a less intensive or more appropriate diagnostic or treatment alternative could have been used. We may consider the cost of the alternative to be the Covered Expense.

Sickness - means a disease or condition of the Covered Person that causes a loss for which a Covered Person incurs medical expenses while covered under the Policy. All related conditions and recurrent symptoms of the same or similar condition will be considered one Sickness.

Usual and Customary Charges - means the average amount charged by most providers for treatment; service; or supplies in the geographic area where the treatment; service; or supply is provided.

PRIMARY INSURANCE / COMPANY'S RIGHT OF SUBROGATION

The Company shall pay benefits on a primary basis, regardless of any other coverage the Covered Person may have. However, in the event the Covered Person requires medical treatment due to another person's negligence (such as an automobile accident), the Company has the right to seek recovery of any benefits it pays towards the Covered Person's medical expenses.

PREFERRED PROVIDER NETWORK

When a Covered Person uses a provider from the Preferred Provider Network, the Company will reimburse his/her covered expenses at a higher amount when compared to using a Non-Network Provider. We have made arrangements with **HealthEOS by MultiPlan**, a Preferred Provider Network in Wisconsin, that is contracted with numerous hospitals, doctors and other health care providers in order to administer care at a prearranged, preferred dollar amount. If the Covered Person chooses to use a Non-Network Provider, his/her benefits will be reduced to 60% of the Usual and Customary charges, subject to any benefit limitations as shown on the Schedule of Benefits. Prior to seeking care with a Network Provider, the Covered Person should always verify that the provider continues to be a Network Provider. A list of participating providers is available on the **HealthEos** website at **www.healtheos.com** or by calling their **toll free number**:

1-800-279-9776

Please note: in the event an individual requires medical attention while out of the State of Wisconsin and needs to find a participating provider, he/she can access the Multiplan website at **www.multiplan.com** and **select PHCS Network**, or call Multiplan's toll free number at **800-922-4362**.

CATAMARAN RX PHARMACY NETWORK

The pharmacy network provides prescription drug coverage for all covered conditions when prescriptions are filled at any participating Catamaran RX pharmacy. Preventive drugs are not covered. The Covered Person is responsible for a **\$10 co-payment per generic prescription; \$20 co-payment per brand name prescription; or \$30 co-payment per multi-source prescription**. No claim forms are required. The participating pharmacy will file claims directly with the administrator for reimbursement of the remaining charges.

The Covered Person must show his/her identification card to receive benefits at a participating pharmacy. An identification/prescription card will be issued once the correct premium and enrollment form have been processed by the administrator.

Examples of participating pharmacies include but are not limited to: Walgreens, Target, KMart, and Walmart. For additional pharmacies and their locations, or for other member services information, please call **Catamaran RX** at

800-207-2568, or

access their website at **www.mycatamaranrx.com**. This service is available 24/7 after the issuance of the identification/prescription card.

ASK MAYO CLINIC

Students who enroll and maintain medical coverage in this insurance plan have access to a 24-hour nurse line administered by **Ask Mayo Clinic**. This program provides:

- * Phone-based reliable health information in response to health concerns and questions; and
- * Assistance in decisions on the appropriate level of care for an Injury or Illness. Appropriate care may include self-care at home; a call to a physician; or visit to the emergency room. Calls are answered 24 hours a day, 365 days a year by experienced registered nurses who have been specifically trained to handle telephone health inquiries.

This program is not a substitute for doctor visits or emergency response systems. **Ask Mayo Clinic** does not answer health plan benefit questions.
