Transportation After Stabilization: Following stabilization of Your condition and discharge from the hospital, We will coordinate and pay for transportation to Your point of origin.

Alternatively, We will coordinate and pay for transportation to Your Home Country if We determine that You should return for continuing medical care. We will also arrange and pay for a change to Your existing return travel arrangements if the change is required as a direct result of Your medical condition or treatment. All travel arrangements will be as necessitated by Your medical condition as determined by Your treating physician and FrontierMEDEX. All such arrangements must be coordinated and approved in advance by FrontierMEDEX.

Repatriation of Mortal Remains: If You sustain an Injury or suffer a sudden and unexpected illness that results in Your death, We will assist in obtaining the necessary clearances for Your cremation or the return of Your mortal remains.
